

**The Aims and Benefits
of the Friends of How Caple Church,
How Caple, Hereford, HR1 4SX.**

To support the Church and Churchyard with fund raising for special projects as they arise.

To be involved with the preservation and improvement of
The Church of St Andrew & St Mary at How Caple for future generations,
and to help with the maintenance, care and development of this historic building.

To be part of a Community who proudly contribute to preserving this,
a very historic building for posterity,
and for people who would like to keep a link with How Caple
though they may not live locally but may have visited the Church,
have family connections to the area or
who have married or been christened in our lovely Church.

Also, to encourage the use of the Church in a wide range of activities or worship
for the benefit of the wider community and to take a long term interest in its welfare.

To carry out activities to enable the above Aims to be achieved, we offer our Friends, the
FHCC, the following additional benefits:
