For Your Prayers;

As the Week of Prayer for Christian Unity begins, pray for those of other Christian denominations with whom we share a ministry of mission and service, and pray that the Week may open minds and hearts.

Church: Pray for the Province of the West Indies: today, is World Religion Day, promoting understanding and peace between all religions and encouraging us to learn about other faiths; pray for good relationships between faith communities nationally, in this Diocese and our communities and remembering places and situations in which religions become a cause of division and strife.

World: as the new president of the United States takes office this week pray that peace and justice and a cessation of hostilities and unrest may be actively promoted by governments throughout the world; remember also the families and people of Los Angeles in the aftermath of the recent wildfires and all in the world suffering the adverse effects of global warming

People: on "Blue" Monday (20th), designated the most depressing day of the year, pray for all those suffering with mental health issues and for their families, friends and carers and for the work of the Samaritans and the volunteers who provide a vital ministry of listening and caring in desperate times; pray this week for all suffering from dementia and for our awareness to ensure that our churches and community spaces are dementia friendly.

Continue to pray for all who are unwell, for Neil Unitt, Mike Swinnerton, Mike Tunnicliff, Margaret Artus, Eric Powell Phil and Patsy Rudge, Angela Gething-Lewis and Bill and Willie Stevens; pray for the repose of the soul of Valerie Slemack and for all mourning the loss of loved ones at this time. May those grieving, find new strength and hope in the living Christ.

Lighten our darkness, Lord, we pray.
