## For Your Prayers;

St Davids' Day falls this week; may our prayer be that we take to heart the saint's closing words to his brothers "be joyful, keep the faith, and do the little things that you have heard and seen me do".

**Church:** the Church of Brazil and on St Davids Day (1<sup>st</sup>) for the Church in Wales and for the people and clergy of Welsh parishes and churches that fall in our Diocese; pray for vocations to rural ministry today, and for Christian poets and hymn writers whose work enriches our faith and enables our worship

**World:** nationalism, anxiety about the economy and trade barriers pose significant threats in the wider world; pray for international bodies working across barriers, encouraging and enabling nations to work together for the good of all, may unite in action aiding development, health care poverty and climate change

**People** pray this week for a better understanding and for those able to counsel and support those suffering from eating disorders and for those who self harm; remember too, areas in our communities where new homes are being built, for those moving in as they settle and integrate and praying that all our churches rise to the challenge of welcoming and making creative contact with new arrivals

Continue to pray for all who are unwell, for Neil Unitt, Mike Swinnerton, Mike Tunnicliff, Margaret Artus, Eric Powell Angela Gething-Lewis and Bill and Willie Stevens and John Watkins; pray for the repose of the soul of Anne Lewis, for her family and all mourning the loss of loved ones at this time. May those grieving, find new strength and hope in the living Christ.  
Lighten our darkness, Lord, we pray.
